HMV Hostels

Nestled within the serene grounds of Hans Raj Mahila Maha Vidyalaya (HMV), the three exquisitely designed hostels—Ojasvi, Kirti, and Pragati—offer more than just lodging; they provide a nurturing environment where growth, self-reliance, and camaraderie flourish. For those with a passion for sports, a dedicated sports wing beckons, offering free boarding and lodging to athletes of international, national, and state acclaim. Within the hostel premises, every comfort is meticulously attended to. Furnished A.C. rooms, replete with modern amenities and attached washrooms, offer a sanctuary for rest and study. A Wi-Fi enabled computer lab ensures connectivity to the vast expanse of knowledge, while access to the central library facilitates scholarly pursuits even after the sun sets. The campus abounds with recreational and fitness facilities, from indoor gymnasiums to a yoga room, from a swimming pool to badminton courts.

In every corner of the campus, convenience meets necessity. An on-campus ATM, e-banking lobby, and utility store cater to daily needs, while a Pehrawa boutique and Radiance salon offer affordable indulgences exclusively for students. Safety is paramount, with round-the-clock security ensuring peace of mind, while uninterrupted power backup guarantees access to essential services at all times. Within the modern and automated mess, students come together to partake in healthy, nutritious, and hygienic meals—a menu crafted by their own preferences and desires.

Central to the ethos of HMV are its dedicated wardens and staff, whose unwavering commitment ensures a nurturing and supportive environment. Together, they create a tapestry of experiences where every resident scholar finds not just a place to belong, but a family to cherish—a testament to the enduring spirit of HMV, where every journey is embraced, and every dream nurtured. It is a proud fact to share that our hostels are a home to students from as many as 24 states of the country.
